Reasons for Allowance

5. The following is an examiner's statement of reasons for allowance of claims 1-4.

For independent claim 1, the prior art of record does not disclose or clearly suggest a method of individually fitting a golf putter club having a grip, shaft and head for an individual golfer by positioning the golfer on level ground with his hip sockets directly above his heels, and measuring the distance from the heel of his palm to the ground at the inside edge of the ball in combination with the remaining limitations of the claim.

Claims 2-4 are allowed due to their dependency on allowed claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
